

## Dual Enrollment //Frequently Asked Questions //Spring 2027

**When do Spring classes begin?** Full term & A-term classes: January 19<sup>th</sup>, B-term – March 22<sup>nd</sup>. This can always be found on the [Academic Calendar](#).

**What are the DSC accounts I need to access?**

- [MyDaytonaState](#) – View class schedule, grades, add a delegate, etc.
- [Falcon Online](#) – access courses and submit assignments. The [FalconOnline Infoguide](#) provides instructions for navigating the course shell. *\*Classes will not show here until the first day of the term..*
- [FalconMail](#) – DSC email account, where all school communications are sent.
  - ✓ Log in credentials will be the same Single Sign-On (SSO) log in used for all DSC accounts.

**How do I get help logging into my DSC account?** For technical assistance, contact the Student HelpDesk at 386-506-3950 (option 3).

**What if I don't see classes in my portal?** Students can view their schedule by [following these steps](#). If you do not see any classes there, you can contact [DualEnrollment@daytonastate.edu](mailto:DualEnrollment@daytonastate.edu) to confirm enrollment or if you are missing any steps.

**\*\*Students are often checking their FalconOnline, but classes do not display there until the first day of the term. If you are looking for your schedule, check your MyDaytonaState portal.**

**How can students speak with an academic advisor?** Several ways:

- **Call 386-506-3661** Monday-Thursday 8am-6pm, Friday 8am-5pm.
- **Email** questions [DualEnrollment@daytonastate.edu](mailto:DualEnrollment@daytonastate.edu)
- **Schedule a one-on-one appointment** [by using this link. \[daytonastate.my.site.com\]](#) (If it is the first time you are scheduling, they will need to click “sign up” at the bottom of the screen to create an account first).
- **Walk-in Wednesdays** - 8 a.m.- 4:30 p.m. on the Daytona Beach, Deland, Deltona, Flagler/Palm Coast, New Smyrna campuses.
  - Walk-in appointments are limited to 20 minutes per student. Students seeking in-depth degree/course planning should schedule an appointment to ensure adequate time.
- New students must first complete their mandatory [Dual Enrollment Virtual New Student Advising Session](#) before meeting one-on-one with an advisor.

**Where can I get my student ID and parking pass?** Students may obtain the [DSC Student ID Card and parking decal](#) at the following campus locations, the first DSC ID is issued at no charge:

- Daytona Beach – Q & A Office, Wetherell Center (Bldg. 100), Room 119
- DeLand – Enrollment Office, Student Services Center (Bldg. 7)
- Deltona – Enrollment Office, Fathi Hall
- Flagler/Palm Coast - Enrollment Office, Gardner Student Services Center (Bldg. 2)
- New Smyrna Beach/Edgewater - Enrollment Office, Student Services Center (Bldg. 1)

**How does a student drop a class?** Students will need to complete a [drop/withdraw form](#), and once signed by their parent and school counselor, submit to [DualEnrollment@daytonastate.edu](mailto:DualEnrollment@daytonastate.edu) by the published deadline. These dates can be found on the [Academic Calendar](#)

- Last day to drop (no grade impact) – A-term classes – 1/20, Full-term – 1/21, B-term – 3/23

- Requests submitted after the drop deadline will result in a grade of W

### **What is the difference between "Drop" and "Withdrawal?"**

- Dropping a course allows students to remove courses from their schedule without penalty if they do so prior to the drop deadline.
- Withdrawals result as a grade of W, remain on the student's college transcript, and count against the withdrawal allotment for Dual Enrollment participation. Students should contact a DSC advisor to review all considerations prior to withdrawing from a course.

**How do students get their books?** All textbooks and access codes are provided at no cost to dual enrollment students – the process varies based on the where the student attends school:

- **Volusia County public school students** - Students should be directed to the textbook coordinator at their school. If the book is in inventory, it is given to the student. If the book is not available, the student is given a voucher to obtain the book or access code from the DSC bookstore.
- **Flagler County public school students** – Students will receive an email from their school with instructions to obtain/order books from DSC's bookstore.
- **Private school students** – Students will receive a voucher and instructions via FalconMail from DSC the week prior to classes beginning to obtain their books/access codes from DSC's bookstore.
- **Home Educated Students** - Students will receive a voucher and instructions via FalconMail from DSC the week prior to classes beginning to obtain their books/access codes from DSC's bookstore.
- **Full-time Florida Virtual High School students** - Contact your school for instructions - Andrea Chu [achocho@flvs.net](mailto:achocho@flvs.net).

**What placement options are available besides the PERT?** The [Dual Enrollment Placement Guide](#) offers a variety of placement options.

### **How can I find out how much high school credit is awarded for my college classes?**

Course equivalencies are defined by the Florida Department of Education, and available for viewing in the [26/27 Dual Enrollment Course High School Subject Area Equivalency List](#). Each semester, you should meet with your middle or high school counselor to discuss your high school requirements to ensure you are on track for graduation, and how the college courses you take may meet subject area high school graduation requirements and the high school credit that will be awarded by your school.

**How can I find out how my AP, IB, or AICE courses will be transferred to DSC?** Students must request their official College Board, IB, or Cambridge transcripts are sent to DSC for their test credit to be applied to their

program at the college. Students can review how AP, IB, or AICE scores will transfer to DSC in the. [AP/IB/AICE Credit by Exam Equivalencies](#) guide.

**Can Dual Enrollment courses count toward a Bright Futures Scholarship?** Yes. Talk with your high school counselor or contact Bright Futures regarding how courses may be applied. The [Bright Futures Comprehensive Table \(CCT\)](#) lists all courses considered for state scholarships. Dual Enrollment courses are found by scrolling to the bottom of each subject area list of courses. For each course the CCT displays the number of credits applied, its application to the different scholarship levels, and if the course is identified as "core" for admissions purposes to the State University System.

**How does a student with an IEP, 504 plans, or disability receive accommodation at DSC?** Students can inquire about accommodations through the [Counseling & Accessibility Office](#). Accommodation plans from a student's high school such as an IEP or 504 Plan do not transfer from K-12 schools to college, and students must contact the CAS office directly to apply for accommodation and discuss their specific academic needs. The student must provide documentation that reflects the student's most updated information to help determine reasonable accommodation at the college level. While available, accommodations in college differ significantly from those in K-12 environments, and a CAS advisor can walk students through the transition to post-secondary accessibility services.

**What happens if a student fails a class?** Grades are reviewed at the end of each semester, and students are notified via FalconMail if they are not meeting eligibility requirements.

- If a Dual Enrollment student earns a D, F, or W1 (administrative withdrawal), they must repeat that course in the next semester and cannot take any other courses until it is successfully completed with a C or better.
- To be eligible to repeat the course, students must also continue to meet the required high school and college GPA standards.
- Earning an F, W, or W1 in more than one semester and/or earning less than a 2.0 DSC GPA may make the student ineligible to continue in the Dual Enrollment program.

**Can dual enrollment students file appeals?** Yes, dual enrollment students follow the same appeal procedure as all other students. Students should contact a DSC advisor to discuss potential options.

### **Which programs are eligible for dual enrollment?**

#### **ASSOCIATE OF ARTS (AA) DEGREE**

Students may enroll in courses listed in the 26/27 AA program guide, except for courses that are less than three credit hours, private lesson courses and physical education courses that focus on the physical execution of a skill

rather than the intellectual attributes of the activity.

## **ASSOCIATE OF SCIENCE (AS) PROGRAMS**

Accounting Technology  
Aerospace Technology  
Applied AI and Data Analytics  
Architectural and Building Technology  
Broadcast TV Production  
Business Administration  
Computer Engineering Technology  
Computer Information Technology  
Computer Programming and Analysis  
Criminal Justice  
Culinary Management  
Cybersecurity and Networking Systems  
Technology  
Digital and Interactive Media Production

Drafting and Design Technology (CAD)  
Early Childhood Education  
Electronics Engineering Technology  
Engineering Technology  
Environmental Science Technology  
Hospitality Management  
Interior Design Technology  
Music Production Technology (Audio  
/Recording)  
Office Administration (General or Legal  
Specializations)  
Paralegal Studies  
Photographic Technology

## **COLLEGE CREDIT CERTIFICATE PROGRAMS**

Accounting Technology Management  
Accounting Technology Operations (Tax)  
Applied Technology Specialist  
Audio Electronics Specialist  
Audio/Recording Technology  
AutoCAD Foundations (Architectural)  
AutoCAD Foundations (Engineering)  
Baking & Pastry Arts  
Business Management  
Business Operations - Entrepreneurship  
Marketing, Sales, and Services

Network Server Administration  
Office Management  
Office Support  
Television Studio Production  
Web Development Specialist

Broadcast TV Production  
Computer Aided Design and Drafting  
Computer Programming  
Culinary Arts  
Drafting and Design Technology  
Engineering Technology Support Specialist  
Hospitality Beverage Science  
Information Technology Analysis  
Interior Design Technology - Kitchen and  
Bath Specialization

## **VOCATIONAL CERTIFICATE PROGRAMS (CAREER DUAL ENROLLMENT)**

**\*Students must be 16 years old by the start of the semester to participate.**

- Automotive Collision, Repair and Refinishing (ATC Campus)
- Automotive Service Technology (ATC Campus)
- Building Trades and Construction Design/Construction Technology (ATC Campus)
- CNC Machining (ATC & Deltona Campus)
- Heating, Ventilation, Air Conditioning/Refrigeration Installation and Maintenance Mechanic (ATC Campus)
- Heating, Ventilation, Air Conditioning/Refrigeration Installation Service and Repair Technician (ATC Campus)
- Welding Technology (Daytona Campus)

### **A. BACHELOR'S DEGREES**

All bachelor's degrees are two plus two programs. Students must have the required associate degree and be admitted to the program to take bachelor's level courses. Students must complete the pre-requisites for the programs while they are in the Associates program and meet all additional eligibility requirements to participate in a bachelor's program.

- Accounting, Bachelor of Science
- Supervision and Management
  - Supervision and Management – Healthcare Management Concentration, Bachelor of Applied Science
  - Supervision and Management – Hospitality Concentration, Bachelor of Applied Science
  - Supervision and Management – Human Resource Management Concentration, Bachelor of Applied Science
  - Supervision and Management – Management Concentration, Bachelor of Applied Science
  - Supervision and Management – Project Management Concentration, Bachelor of Applied Science
  - Supervision and Management – Supply Chain Management Concentration, Bachelor of Applied Science
- Engineering Technology, Bachelor of Science
  - Electrical Engineering Technology Concentration, Bachelor of Science
  - Industrial Engineering Technology Concentration, Bachelor of Science
- Information Technology, Bachelor of Science
- Education
  - Biology 6-12, Bachelor of Science
  - Chemistry 6-12, Bachelor of Science
  - Earth/Space Science 6-12, Bachelor of Science
  - Elementary Education K-6, Bachelor of Science
  - Exceptional Student Education K-12, Bachelor of Science
  - Mathematics 6-12, Bachelor of Science
  - Physics 6-12, Bachelor of Science

**Enrollment Considerations:**

- Dual enrollment students are limited to two online courses per 15-week semester, except for students who have earned at least 30 college credits and have a minimum 3.5 DSC GPA.
- Students enrolled in the Bachelor of Applied Science in Supervision & Management (BAS), Bachelor of Science in Engineering Technology (BSET), & Bachelor of Science in Information Technology (BSIT) programs 100% online.
- QUANTA students will be permitted to take 3 online courses per semester.
- All courses for dual enrollment must have Florida Department of Education (FLDOE) approval.
- Students may enroll in face-to-face, online, as well as hybrid courses that include both a classroom and on-line component.
- Students enrolled in the Dual Enrollment program are authorized for courses offered only at Daytona State College and may not take courses as a transient student at another institution.

**When can students prepare/register for Spring 2027?****→ June 1 - October 28, 2026 - Application, Testing & Advising Window**

New students must complete their application, orientation, new student advising session, and placement testing within this period.

**→ October 29, 2026 - Registration for Spring 2027 Begins**

To be eligible for enrollment, students must have applied, tested, planned classes with an advisor, and be ready to submit completed forms by the given date. Returning students may be eligible for advanced registration, based on the number of earned credits. Students can view their enrollment appointment in their MyDaytonaState portal.

**→ December 4, 2026 - Deadline for Spring 2027 Registration Requests.**
