Things to note

- Be sure to capitalize your name & use your full name, not a shortened version (i.e., if your name is Jonathan, don't use Johnny).
- Use an email address you have access to. This is where your password reset link will be sent to.
- Home school & PEP students, please be prepared to upload the following documents: [Home School Verification Form](#), [Home School Articulation Agreement](#), and proof of registration with the county or your PEP approval form.

After you hit submit, you'll receive an email with your password reset link (you may have to check your Spam folder). Follow the link to log in with your username (the email provided) to create your password – then you can start your new application!

Complete the Dual Enrollment & School Sections

The screenshot shows the 'Dual Enrollment' section of the application. It features a dark blue sidebar with a hamburger menu and a progress indicator with four green dots. The main content area has a light gray background and contains four dropdown menus, each with a blue arrow icon on the right. The questions are: 'What type of school do you attend? Please select an option', 'What is your preferred campus? This does not restrict where you can take courses. Please select an option', 'What type of degree are you planning to pursue? Please select an option', and 'Please select your major. Please select an option'. A blue 'SAVE AND CONTINUE' button is located in the bottom right corner.

The screenshot shows the 'Dual Enrollment Public School' section of the application. It features the same dark blue sidebar as the previous section. The main content area has a light gray background and contains three input fields. The first is a text field for 'School (Start typing the name or city to locate.)' with a note 'Please enter 3 or more characters'. The second is a date field for 'Start Date (if you don't know the exact date, an estimate is fine.)' with dropdowns for 'Month', 'Day', and 'Year', and a red 'X' icon. The third is a date field for 'Graduation Date' with dropdowns for 'Month', 'Day', and 'Year', and a red 'X' icon. A blue 'SAVE AND CONTINUE' button is located in the bottom right corner.

Things to note

- Preferred campus is the one you plan to attend for classes, but you may take classes on any campus.
- Selecting the degree you plan to pursue helps us understand your goals. The Associate of Arts degree is the best path for a student interested in a bachelor's degree program or an undecided student.
- If you are unsure of your high school start date, use August 1 of the year you began high school.
- If you are unsure of your high school graduation date, use May 31 of the year you will graduate high school.
