Questions? Call the MyFRS Financial Guidance Line at 1-866-446-9377, Option 2 (TRS 711) or visit MyFRS.com.

This completed form, including page 2, should be retained in the employee's personnel file. Do not send this form to the FRS, unless requested.

Review the Following Important Information Carefully

Section 2 – Confirm prior membership

If you answered NO - Not Previously Enrolled in the FRS

A New Hire Kit will be mailed to your address on file with your employer within 30 to 60 days after your hire date.

- You are responsible for ensuring your retirement plan election is received by the Plan Choice Administrator on or before 4:00 p.m. ET on the last business day of the 8th month following your month of hire.
- If you do not submit an election choice, the Investment Plan will be considered your initial election by default. Exception: If you are enrolled in the Special Risk Class, the Pension Plan will be considered your initial default election.

If you answered YES - Previously Enrolled in the FRS

- If you were previously enrolled in the FRS, made an active election or defaulted into the FRS Pension Plan or FRS Investment Plan, and separated employment without retiring you will not receive a new choice window. You will continue to participate in the plan you were enrolled in at the time of separation and continue to accrue service credit under that plan.
- If you were previously enrolled in the FRS and did not make an election between the FRS Pension Plan and FRS Investment Plan during your previous enrollment in the FRS, you will receive a choice window with a designated choice deadline. This would include those who have never had an opportunity to make a retirement plan election, members with Pension Plan service prior to July 1, 2002, and who return to FRS employment today, and new hires on or after July 1, 2002 who had an election period established previously but separated employment before making an election or defaulting.
 - You are responsible for ensuring your election is received by the Plan Choice Administrator on or before 4:00 p.m. ET on the last business day of the 8th month following your month of hire.
 - If you do not submit an election, the Investment Plan will be considered your initial election by default. Exception: If you are enrolled in the Special Risk Class, the Pension Plan will be considered your initial default election.
 - If you elect or default to the Investment Plan, any accrued value you may have in the Pension Plan will be transferred to your Investment Plan account as your opening account balance and is subject to the vesting requirements of the Pension Plan. The initial transfer amount is an estimate, and your account will be reconciled within 60 days of the transfer using your actual FRS membership record pursuant to Florida law. You direct that all future employer and employee contributions be deposited in your Investment Plan account.

Section 3 – Confirm Retiree Status

If you are a Pension Plan retiree, you understand:

- If you are reemployed within six calendar months of retirement in any type of position with an FRS employer, your retirement and DROP status (if applicable) may be voided. If voided, all retirement and DROP benefits you received must be repaid, and you must reapply for retirement to receive future benefits.
- If you are reemployed during months 7 through 12 after retirement in any type of position with an FRS employer, your monthly retirement benefit must be suspended and any overpaid benefits you received must be repaid.

If you are an Investment Plan, SUSORP, SCCSORP, or SMSOAP retiree, you understand:

- If you are reemployed within the first six calendar months of retirement in **any type of position** with an FRS employer, any benefits you received must be repaid, or you must terminate employment.
- If you are reemployed during calendar months 7 through 12 after retirement in **any type of position** with an FRS-participating employer, you will not be eligible for additional distributions until you terminate employment or complete 12 calendar months of retirement (whichever occurs first).
- **Any type of position** includes, **but is not limited to**, regularly established, full-time, part-time, OPS, temporary, seasonal, substitute teachers, adjunct professors, etc. Also, any paid or unpaid positions with an FRS employer, service arrangements with an FRS employer, employment by or through a third-party providing service to an FRS employer, or positions pre-arranged before retirement to provide services after retirement to any FRS employer, are prohibited.
- Florida law requires a return of all overpaid Pension Plan benefit payments or Investment Plan distributions received by a member who has violated the FRS termination or reemployment provisions. Similar provisions apply to overpaid SUSORP, SCCSORP, or other state-administered plan distributions – contact that plan's administrator for details.
- Retirees may provide volunteer services with an FRS employer without violating the termination requirements or reemployment limitations (must comply with Section 121.091(15), Florida Statutes).
- If you are a retired law enforcement officer and are reemployed as a school resource officer by an FRS-covered employer during the seventh through twelfth calendar months after your retirement date or after your DROP termination date, you are eligible to receive both your salary and retirement benefits during this period.
- Effective July 1, 2017, retirees of the Investment Plan, SUSORP, SMSOAP, SCCSORP are eligible for renewed membership in the Investment Plan, SUSORP, SMSOAP, SCCSORP. You must be employed in an FRS-covered position on or after July 1, 2017 in order to have renewed membership. Renewed members may not use a second election to change to the Pension Plan.

DIRECT DEPOSIT NOTICE

Daytona State College requires newly hired employees to authorize automatic payroll deposits into their checking or savings accounts. Anyone who has a checking or savings account with almost any bank or financial institution in Florida or elsewhere in the country can use that account for direct deposit.

To have your payroll check deposited directly to your checking or savings account, you must: (1) Complete and sign the attached authorization agreement for electronic fund transfer (EFT), and (2) Submit to the payroll office a voided blank check for checking accounts or a savings account deposit slip for savings accounts, along with the completed agreement. Employees who wish to arrange a direct deposit to a credit union account or to an investment firm money market account should contact the financial institution to verify the transit and account numbers that are valid for ACH transactions.

Your checking account will be “prenoted” for one pay period. The prenote process is a “dry run” to detect any problems with your bank transit and account numbers. Your bank transit number and account number will be included on the EFT tape that notifies your bank of direct deposit transfers, but no funds actually will be transferred on the prenote date. You will receive your regular paycheck for the prenote pay period.

If the prenote process detects no problems, your net pay for the next pay period (i.e., your gross pay less withholding for federal, state, and local taxes, plus any other required or voluntary deductions) will be electronically transferred to your checking account. In lieu of receiving a paycheck, you will receive a pay information statement that reports the same information that would have appeared on your paycheck stub.

Any changes to your bank transit number or account number must be reported in writing to the Payroll Office prior to the end of the pay period in which the change is made. You also must notify the Payroll Office prior to closing your account.

Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

2025

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3-4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$ _____		
	Multiply the number of other dependents by \$500 \$ _____		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$ _____
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c)	\$ _____

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Employee's signature (This form is not valid unless you sign it.)

Date

Employers Only	Employer's name and address	First date of employment	Employer identification number (EIN)

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____
