Job Title: [MCCMEA - School of Digital Media Production](#) Assistant

Purpose of Job:

The Student Technical Assistant is a dynamic role aimed at enhancing the educational experience through technical support in various creative fields. This includes assisting faculty with demonstrations, supporting full-time staff in operational areas, and providing specialized assistance in areas of photography, digital video, interactive design, and graphic design.

Duties/Responsibilities:

1. Classroom Support: Aid faculty with technical demonstrations and presentations, and assist students with technical issues in the classroom.
2. Print Lab and Stock Room Assistance: Collaborate with full-time staff in the Print Lab and Stock Room, ensuring efficient operation and resource availability.
3. Mac Lab Support: Provide support in Mac Labs, handling software and technical queries, with a focus on creative applications.
4. Specialized Technical Support: Offer expertise in photography, digital video, interactive design, and graphic design, including knowledge of relevant industry-standard software and hardware.
5. Tutorial Sessions: Conduct instructional sessions for students in the use of Adobe CC, DaVinci Resolve, and other relevant software and hardware in the fields of photography, digital video, and design.

Student Employment Job Description pg. 2

Job Qualifications:

- Demonstrated ability to work effectively under stressful situations.
- Exceptional organizational skills and self-starter mentality.
- Capability to work independently and professionally.
- Must have completed relevant courses in photography, digital video, interactive design, or graphic design.
- Proficient in industry-specific software and hardware, particularly Adobe Creative Cloud (CC) and DaVinci Resolve.
- Physical ability to lift and move items up to 75 pounds.
- Active role, primarily non-desk-based.

Requirements:

- Resume detailing relevant experience and skills, particularly in photography, digital video, interactive design, and graphic design.
- Current semester class schedule
