Last Assessment Day Action Items

Health Careers Assessment Meeting: 01/17/2020

- Continue to explore the addition of B.S.;
- Expand clinical sites;

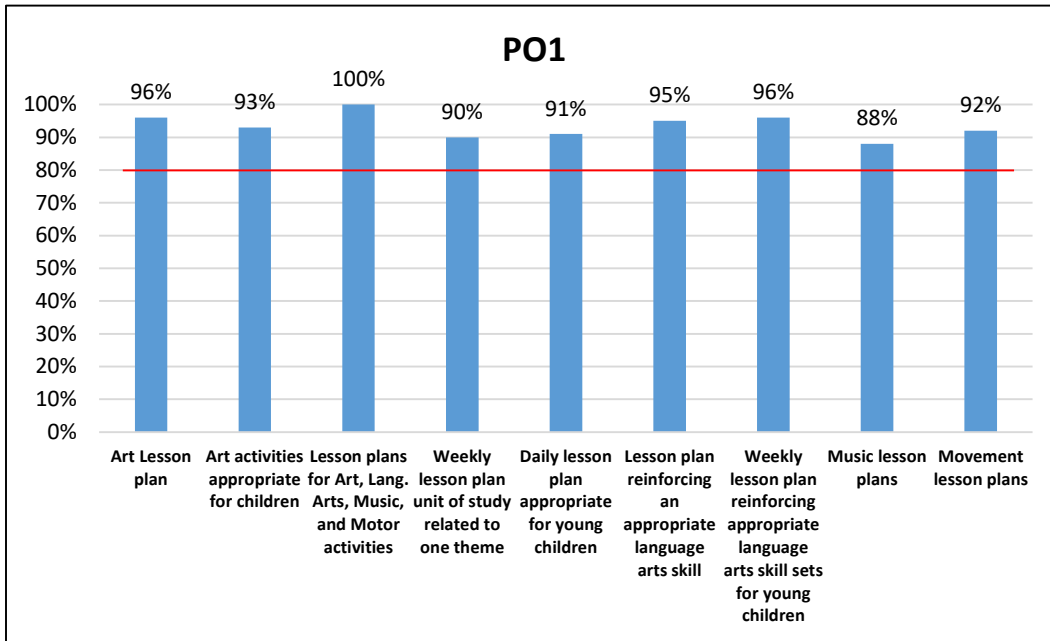

For IE: Look into necessity of pre-codes

Early Childhood Education Associate Degree – 2044 Program Learning Outcomes

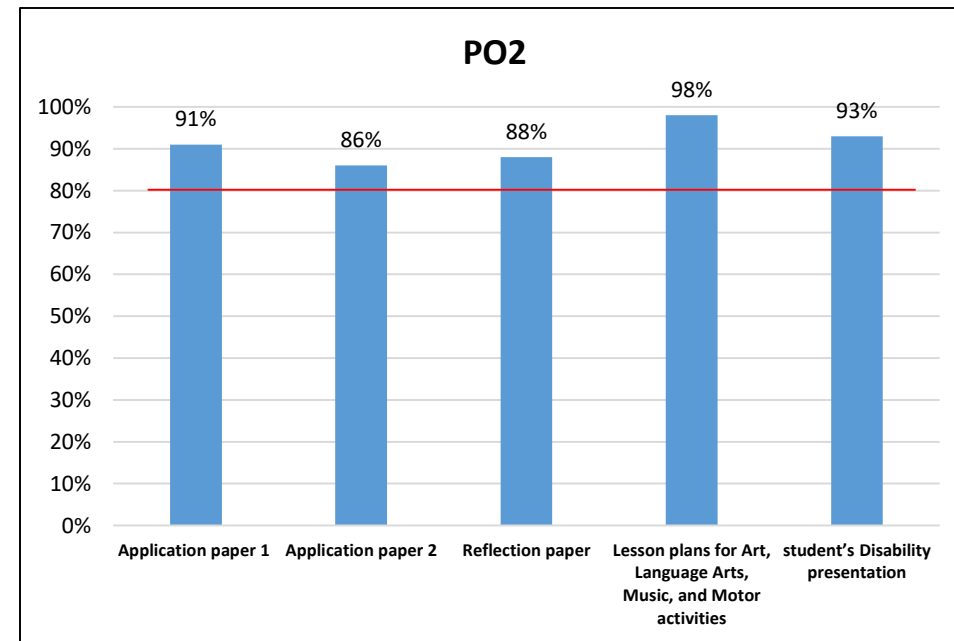

Graduates of the program will be able to:

1. Successfully plan and implement lessons with targeted population of children, using developmentally appropriate curriculum techniques and materials.
2. Utilize appropriate guidance techniques when dealing with targeted population of children.
3. Design units of study, integrating all areas of the curriculum with a developmentally appropriate focus.
4. Demonstrate the responsibilities of an intern in relation to the overall program, to the child care center, to the center student, and to self.

Early Childhood Education Associate Degree – 2044 Assessment Results 2019-2020

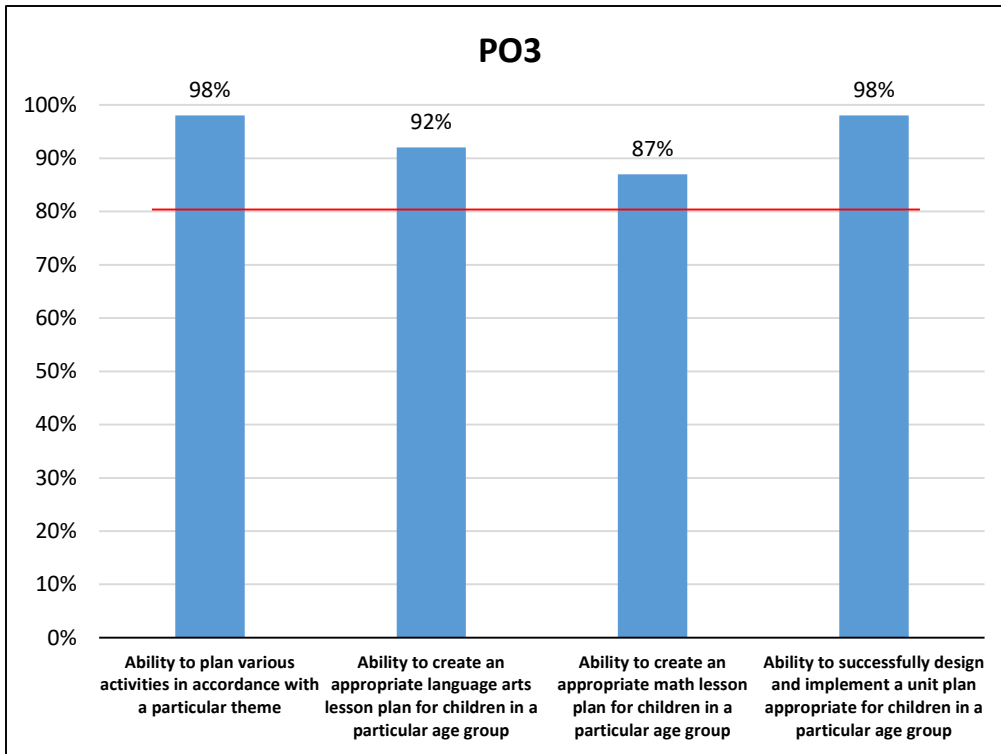

Successfully plan and implement lessons with targeted population of children, using developmentally appropriate curriculum techniques and materials
Target: 80% of students will achieve 80% or higher on all assessment measures.

Utilize appropriate guidance techniques when dealing with targeted population of children. *Target: 80% of students will achieve 80% or higher on all assessment measures.*

Early Childhood Education Associate Degree – 2044

Assessment Results 2019-2020

Design units of study, integrating all areas of the curriculum with a developmentally appropriate focus. *Target: 80% of students will achieve 80% or higher on all assessment measures.*

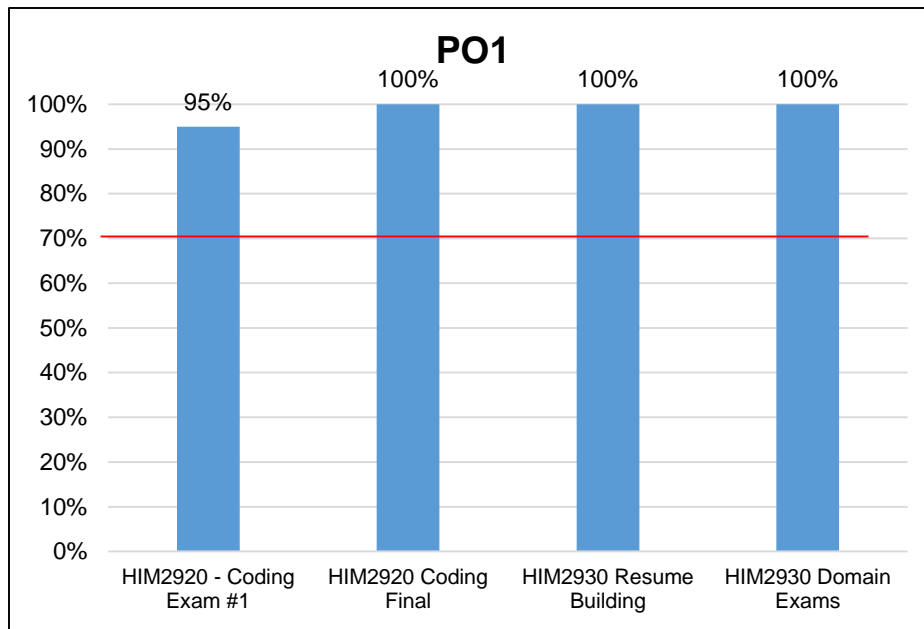

Demonstrate the responsibilities of an intern in relation to the overall program, to the child care center, to the center student, and to self. *Target: 80% of students will achieve 80% or higher on all assessment measures.*

Health Information Technology (Limited Access Program) – 2214 Program Learning Outcomes

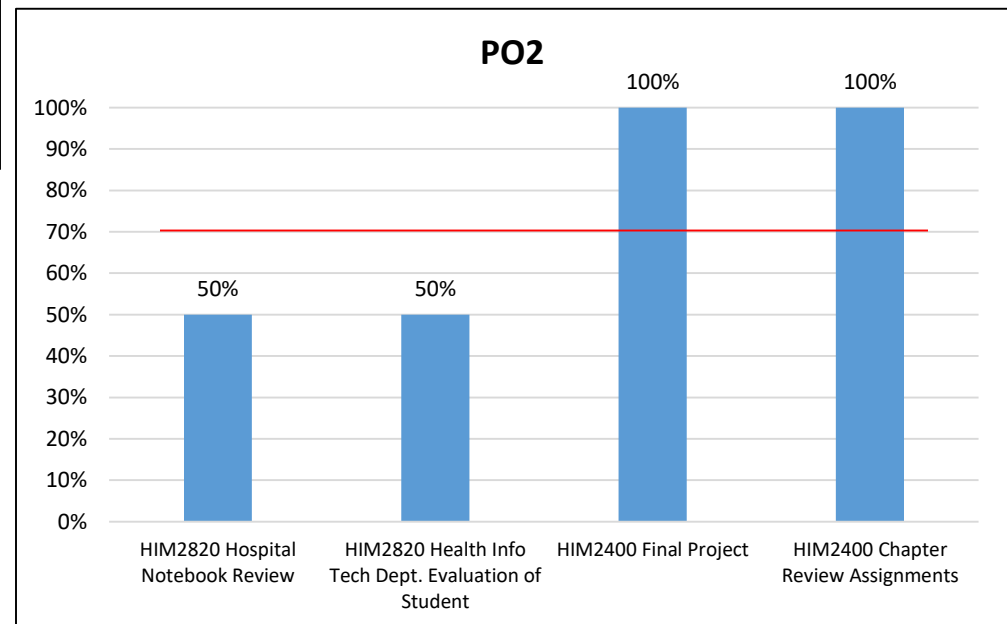

Graduates of the program will be able to:

1. Student will be at or above 75% in the individual domain averages of the mock end-of-program RHIT exam.
2. Student will demonstrate an understanding of the legal and ethical requirements of hospital-based protected patient health information.
3. Student will demonstrate an ability to organize and present healthcare information management data.

Health Information Technology (Limited Access Program) – 2214 Assessment Results 2019-2020

1. Student will be at or above 75% in the individual domain averages of the mock end-of-program RHIT exam. *Target: 70% of students passing the exams and projects*

Student will demonstrate an understanding of the legal and ethical requirements of hospital-based protected patient health information. *Target: 70% of students passing the exams and projects*

Health Information Technology (Limited Access Program) – 2214 Assessment Results 2019-2020

Student will demonstrate an ability to organize and present healthcare information management data. *Target: 70% of students passing the exams and projects*

Revise teaching strategies, currently they are targets.

Massage Therapy (Limited Access Program) – 1024 Program Learning Outcomes

1. Exhibit an understanding of the principles theories of therapeutic massage and demonstrate the proper techniques of massage manipulations including safety, hygiene and health practices.
2. Demonstrate an understanding of human anatomy and physiology, kinesiology and pathology as related to the practice of massage therapy.
3. Explain and appropriately apply allied modalities including the principles theories and use of hydrotherapy.
4. Demonstrate knowledge of basic business practices and ethical standards as outlined in statutes of the Florida Massage Practice Act and the rules of The Board of Massage Therapy (Chapter 480, F.S, Chapter 456 F.S., and Chapter 64B7).
5. Demonstrate the ability to communicate effectively as a medical therapy professional.

Massage Therapy (Limited Access Program) – 1024 Assessment Results 2019-2020

Exhibit an understanding of the principles theories of therapeutic massage and demonstrate the proper techniques of massage manipulations including safety, hygiene and health practices. *Target: More than 70% of students achieved 70% or higher in all assessment measures*

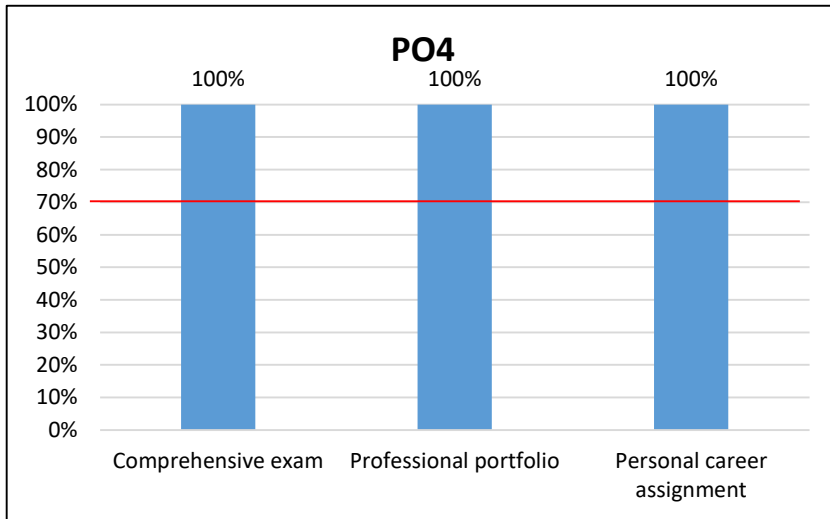

Demonstrate an understanding of human anatomy and physiology, kinesiology and pathology as related to the practice of massage therapy. *Target: More than 70% of students achieved 70% or higher in all assessment measures*

Explain and appropriately apply allied modalities including the principles theories and use of hydrotherapy. *Target: More than 70% of students achieved 70% or higher in all assessment measures*

Massage Therapy (Limited Access Program) – 1024 Assessment Results 2019-2020

Demonstrate knowledge of basic business practices and ethical standards as outlined in statutes of the Florida Massage Practice Act and the rules of The Board of Massage Therapy (Chapter 480, F.S, Chapter 456 F.S., and Chapter 64B7). *Target: More than 70% of students achieved 70% or higher in all assessment measures*

Demonstrate the ability to communicate effectively as a medical therapy professional. *Target: More than 70% of students achieved 70% or higher in all assessment measures*

Medical Assisting (Limited Access Program) – 1023 Program Learning Outcomes

1. Demonstrate knowledge of the fundamentals of the Medical Assisting profession.
2. Demonstrate knowledge of the basic principles of medical office procedures.
3. Develop a clear idea of his /her role and responsibilities to the patient, the physician and other members of the health care team.
4. Demonstrate a sound basis of the scientific principles of Anatomy/Physiology and Medical Terminology.
5. Demonstrate knowledge of Pharmacology and Billing/Coding
6. Demonstrate a basic knowledge of diet and nutrition, so that they may be able to provide patient education, as well as be self-educated in these areas as it relates to disease processes and good health.
7. Develop lifelong learning habits for personal and professional growth and development.

Medical Assisting (Limited Access Program) – 1023 Assessment Results 2019-2020

Demonstrate knowledge of the fundamentals of the Medical Assisting profession. *Target: 95% of students achieving 85% or higher in all assessment measures*

Demonstrate knowledge of the basic principles of medical office procedures. *Target: 89% of students achieving 93% or higher in all assessment measures*

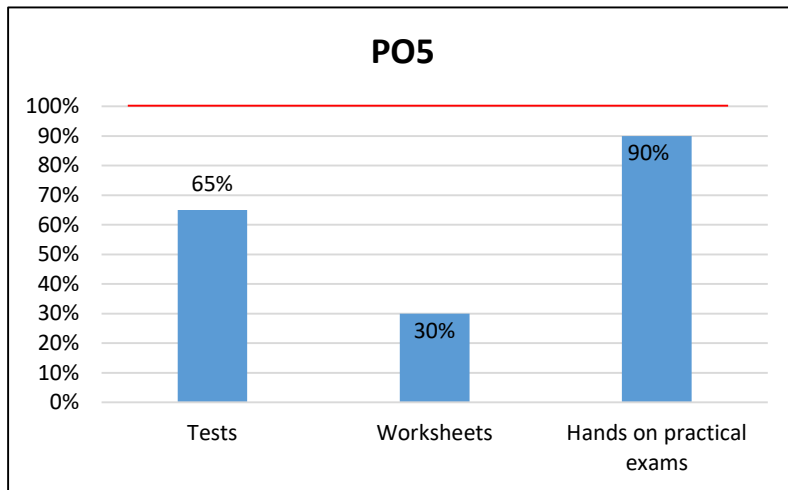

Develop a clear idea of his /her role and responsibilities to the patient, the physician and other members of the health care team. *Target: 95% of students achieving 85% or higher in all assessment measures*

Demonstrate a sound basis of the scientific principles of Anatomy/Physiology and Medical Terminology. *Target: 89% of students achieving 85% or higher in all assessment measures*

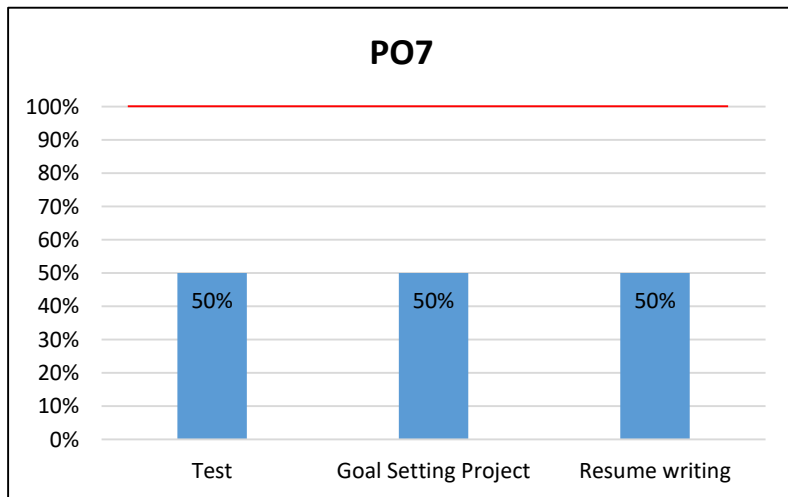

Medical Assisting (Limited Access Program) – 1023 Assessment Results 2019-2020

Demonstrate knowledge of Pharmacology and Billing/Coding. *Target: 100% of students achieving 85% or higher in all assessment measures for MEA0242. 89% of students achieving 90% or higher in all assessment measure*

Demonstrate a basic knowledge of diet and nutrition, so that they may be able to provide patient education, as well as be self-educated in these areas as it relates to disease processes and good health. *Target: 100% of students achieving 80% or higher in all assessment measures*

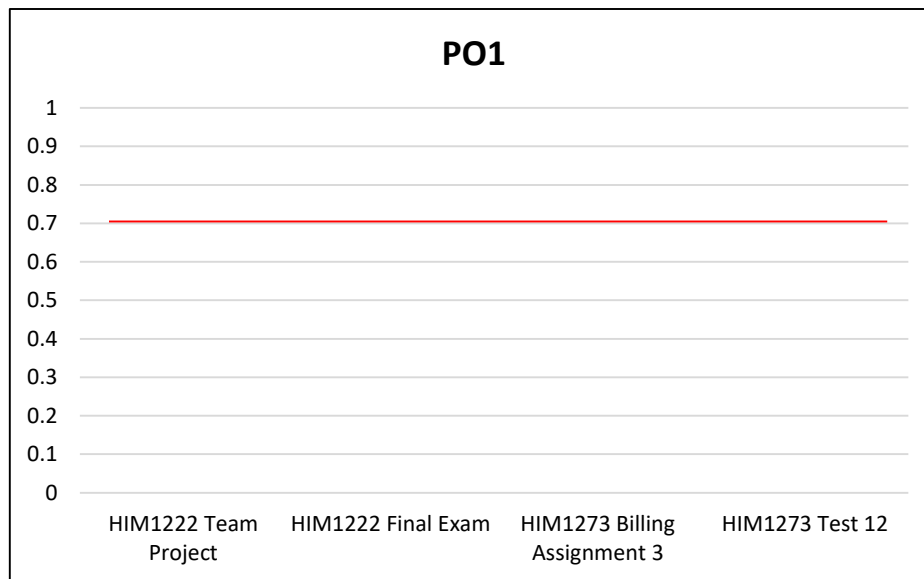

Develop lifelong learning habits for personal and professional growth and development. *Target: 100% of students achieving 85% or higher in all assessment measures*

Medical Information Coder Biller (Limited Access Program) – 0912 Program Learning Outcomes

1. Students will use diagnostic coding skills to successfully code patient charts.
2. Students will demonstrate appropriate procedural coding skills.
3. Students will demonstrate self-management skills through an ability to work in teams on class projects.

Medical Information Coder Biller (Limited Access Program) – 0912 Assessment Results 2019-2020

Students will use diagnostic coding skills to successfully code patient charts. *Target: 70% of students passing projects and exams*

Spring and summer 2020 Medical Coder Biller classes were not taught due to a lack of credentialed faculty.

Students will demonstrate appropriate procedural coding skills. *Target: 70% of students passing projects and exams*

Medical Information Coder Biller (Limited Access Program) – 0912 Assessment Results 2019-2020

Students will demonstrate self-management skills through an ability to work in teams on class projects. *Target: 70% of students passing projects and exams*

*Revise teaching strategies, currently they are targets.

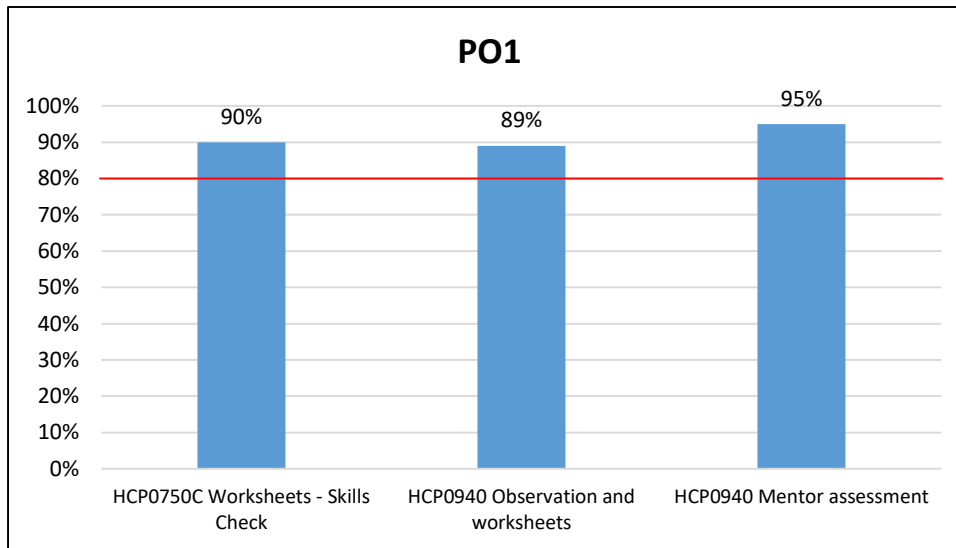

Phlebotomy (Limited Access Program) – 1210 Program Learning Outcomes

Graduates of the program will be able to:

1. Collect blood specimens by safely performing venipuncture and capillary blood collection.
2. Identify anatomy and physiology of the cardiovascular system as it pertains to blood collection.
3. Identify phlebotomy equipment and perform proper specimen handling.
4. Practice infection control.
5. Demonstrate effective communication skills.
6. Demonstrate appropriate record keeping and data collection.

Phlebotomy (Limited Access Program) – 1210

Assessment Results 2019-2020

Collect blood specimens by safely performing venipuncture and capillary blood collection.
Target: 80% of students will achieve 75% or higher in all assessment measures

Identify anatomy and physiology of the cardiovascular system as it pertains to blood collection. *Target: 80% of students will achieve 75% or higher in all assessment measures*

Identify phlebotomy equipment and perform proper specimen handling. *Target: 80% of students will achieve 75% or higher in all assessment measures*

Phlebotomy (Limited Access Program) – 1210

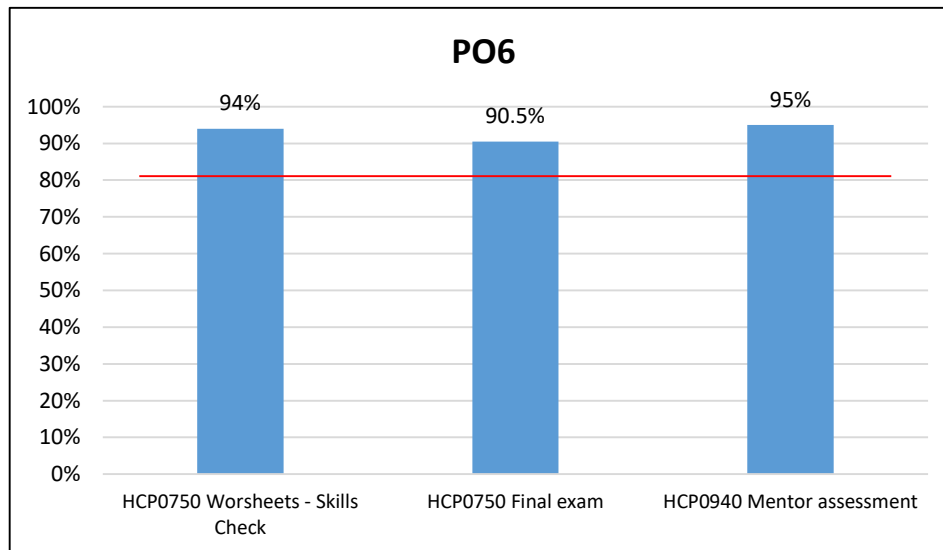

Assessment Results 2019-2020

Practice infection control. *Target: 80% of students achieving 75% or higher in all assessment measures*

Demonstrate effective communication skills. *Target: 80% of students achieving 75% or higher in all assessment measures*

Demonstrate appropriate record keeping and data collection. *Target: 80% of students achieving 75% or higher in all assessment measures*

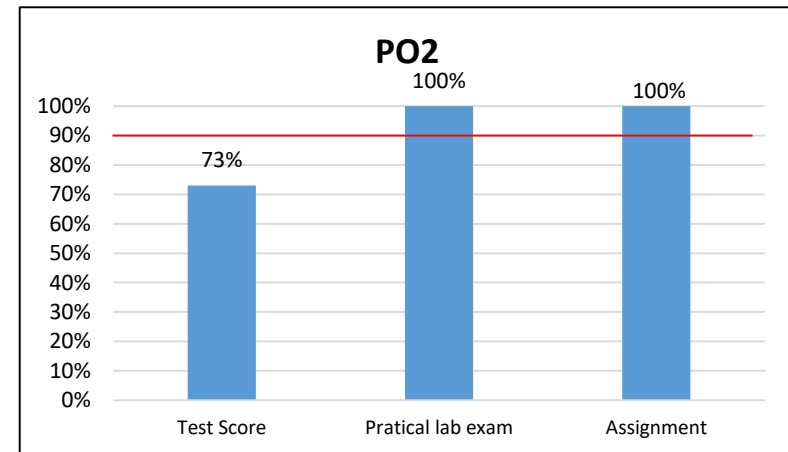

Occupational Therapy Assistant (Limited Access Program) – 2215 Program Learning Outcomes

1. Demonstrate the professional ethics, values, and responsibilities consistent with practice in occupational therapy (OT) in the role of an occupational therapy assistant (OTA).
2. Use skills in various occupational therapy applications/situations based on foundational concepts learned about communication, clinical reasoning, human body structures and functions, development, pathology, and behavior, and sociocultural conditions and health.
3. Explain how occupation is inherent to human health and participation in life, and is a foundation for OT knowledge and service delivery.
4. Apply the most appropriate occupational therapy theories, evaluation methods, intervention rationales and approaches, and expected outcomes in the process of client care.
5. Establish a client-centered, evidence-based approach to service delivery.
6. Apply the concepts of occupational therapy to a variety of delivery models and systems where occupational therapy is both currently practiced and emerging.
7. Direct own professional development through participation in professional organizations, community activities, and other opportunities and roles.

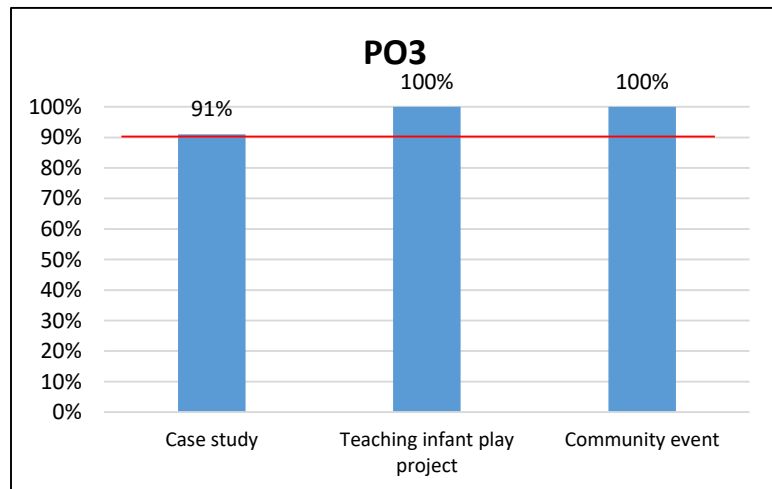

Occupational Therapy Assistant (Limited Access Program) – 2215 Assessment Results 2019-2020

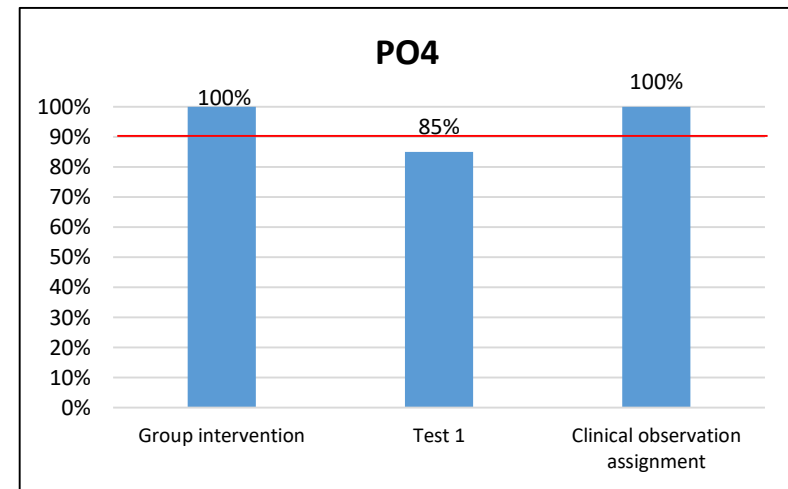

Demonstrate the professional ethics, values, and responsibilities consistent with practice in occupational therapy (OT) in the role of an occupational therapy assistant (OTA). *Target: 90% of students achieving 90% or higher*

Use skills in various occupational therapy applications/situations based on foundational concepts learned about communication, clinical reasoning, human body structures and functions, development, pathology, and behavior, and sociocultural conditions and health. *Target: 90% of students achieving 80% or higher*

Explain how occupation is inherent to human health and participation in life, and is a foundation for OT knowledge and service delivery. *Target: 90% of students achieving 90% or higher*

Apply the most appropriate occupational therapy theories, evaluation methods, intervention rationales and approaches, and expected outcomes in the process of client care. *Target: 90% of students achieving 80% or higher*

Occupational Therapy Assistant (Limited Access Program) – 2215 Assessment Results 2019-2020

Establish a client-centered, evidence-based approach to service delivery. *Target: 90% of students achieving 80% or higher*

Apply the concepts of occupational therapy to a variety of delivery models and systems where occupational therapy is both currently practiced and emerging. *Target: 90% of students achieving 80% or higher*

Direct own professional development through participation in professional organizations, community activities, and other opportunities and roles. *Target: 90% of students achieving 90% or higher*

Physical Therapist Assistant (Limited Access Program)- 2216 Program Learning Outcomes

1. Integrate scientific principles which form the foundation of physical therapy into clinical practice.
2. Differentiate the normal vs. abnormal states of physiology that are observed and/or treated in the clinical setting.
3. Describe his/her role and responsibilities to the patient, the physician, the physical therapist and other members of the health care team.
4. Perform interventions, under the supervision of the physical therapist, consistent with evidenced-based physical therapy practice safely, effectively and efficiently.
5. Analyze and evaluate the physical therapy literature in pursuit of lifelong learning.
6. Value active participation in the American Physical Therapy Association, the Florida Chapter and East Central District as means of professional development.

Physical Therapist Assistant (Limited Access Program) - 2216

Assessment Results 2019-2020

Integrate scientific principles which form the foundation of physical therapy into clinical practice. *Target: Cohort achieving 80% or higher*

Differentiate the normal vs. abnormal states of physiology that are observed and/or treated in the clinical setting. *Target: Cohort achieving 80% or higher*

Describe his/her role and responsibilities to the patient, the physician, the physical therapist and other members of the health care team. *Target: Cohort achieving 90% or higher*

Physical Therapist Assistant (Limited Access Program) - 2216 Assessment Results 2019-2020

Perform interventions, under the supervision of the physical therapist, consistent with evidenced-based physical therapy practice safely, effectively and efficiently. *Target: Cohort achieving 90% or higher*

Analyze and evaluate the physical therapy literature in pursuit of lifelong learning. *Target: Cohort achieving 80% or higher*

Value active participation in the American Physical Therapy Association, the Florida Chapter and East Central District as means of professional development. *Target: Cohort achieving 80% or higher*

Radiography (Limited Access Program) – 2037 Program Learning Outcomes

1. Students will be clinically competent to perform diagnostic exams under the proper supervision.
2. Students will communicate effectively with patients and other healthcare providers.
3. Students will adapt routine procedures for trauma examinations.
4. Students will critique images to determine optimal quality.
5. Students will be exposed to professional organizations to promote lifelong learning and professional development.

Radiography (Limited Access Program) – 2037 Assessment Results 2019-2020

1. Students will be clinically competent to perform diagnostic exams under the proper supervision. *Target: Average score of >85% Lab Practical Patient Positioning Skills Section Questions 22-24. Average score of >85% Clinical Competency Form Image Evaluation Portion Questions 1- 2-Beginning with 2015 graduates. Average score of >95% Positioning routine test questions -#30 respiratory; #27&34 upper extremity; #24&26 shoulder; #31 lower extremity; #24 bony thorax; #24 spine; #36& 43 skull. Average score of >85% Laboratory Practical Exams-Patient Positioning Skills Section Questions #22. Average score of >90% Digital Imaging Post-processing test. Average score of >90% Image Critique test. Average score of >85% Clinical Competency Form Image Evaluation Portion Question 3 (technique original EXI). Image Analysis Section- Original EXI and its relationship to image characteristics and ALARA practices. Average score of >90% Radiation Protection Test. Average score of >85% Laboratory Practical Exams Question 21 Equipment Use and Set Up Section to demonstrate ALARA. Average score of >85% Clinical Competency Form #8 on Image Eval and #9 on Performance Eval.*

Radiography (Limited Access Program) – 2037

Assessment Results 2019-2020

PO2

2. Students will communicate effectively with patients and other healthcare providers. *Target: Average score of >85% Clinical Laboratory Exams (Questions 4, 6,7,9,11,13) in Patient Care & Management Section. Average score of >85% Clinical Competency Exams (Questions,4, 7 & 10) in Performance Evaluation Section. Average score of >90% Oral Image Critique Project. Average score of >90% Technical Research Presentation. Average score of >85% Professional Development Evaluation Questions 5 &6. Average score of >85% Clinical Competency Exam (Question 3) on Performance Evaluation Section. The section evaluates the student's documentation of patient assessment and history. Average score of >90% Positioning Written Exams in RTE 1513. Average score of >90% Technical Research Paper (APA style)*

PO3

3. Students will adapt routine procedures for trauma examinations. *Target: Average score of >90% Lab simulation examination for trauma (including trauma upper, trauma, lower, and trauma hips). Average score of >90% Clinical Competency Exam for Trauma Patient (Trauma Upper, Trauma Lower, and Trauma Hip)*

Radiography (Limited Access Program) – 2037 Assessment Results 2019-2020

4. Students will critique images to determine optimal quality. *Target: Average score of >85% Clinical Competency Exam (question 9) on Image Evaluation Section*

5. Students will be exposed to professional organizations to promote lifelong learning and professional development. *Target: Average score of >95% Professional Development Evaluation questions # 8, 10, 11, & 12. Average score of >90% RTE 1000 Fundamentals Orientation Test (question 2: a-g)(question 3: a-d). Average score of >90% Quiz Final Semester. Average score of >85% student documentation of 12 continuing education points prior to graduation*

Respiratory Care (Limited Access Program) – 2217

Program Learning Outcomes

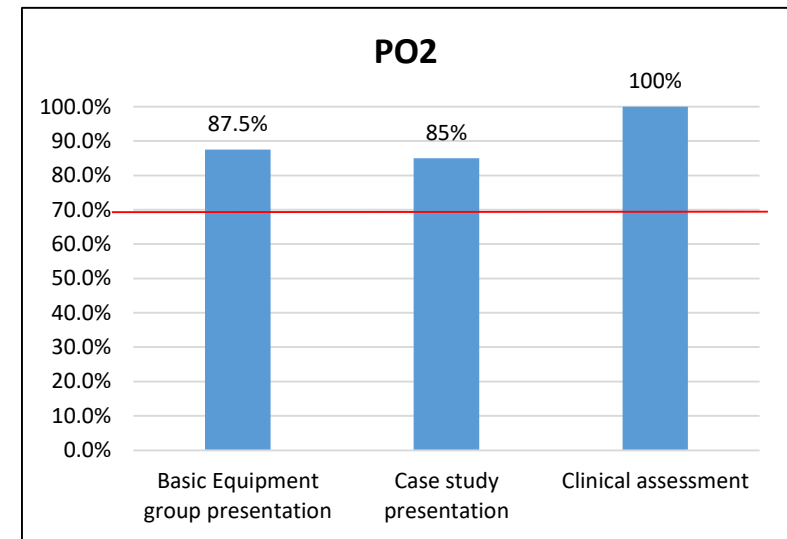

Graduates of the program will be able to:

1. Perform entry-level skills competently as described by the scope of practice for Respiratory Care.
2. Employ effective communication skills within the healthcare setting.
3. Assemble a safe environment within the healthcare setting.
4. Apply professional behaviors within a healthcare setting.
5. Execute safe clinical decision making in respiratory care.

Respiratory Care (Limited Access Program) – 2217 Assessment Results 2019-2020

Perform entry-level skills competently as described by the scope of practice for Respiratory Care. *Target: 70% of students will achieve 78% or higher in all assessment measures*

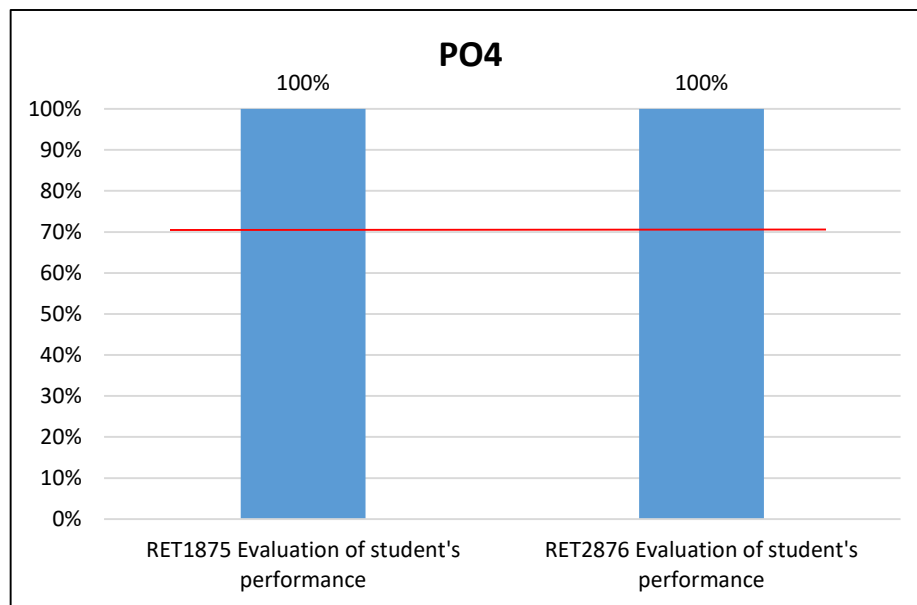

Employ effective communication skills within the healthcare setting. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Assemble a safe environment within the healthcare setting. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Respiratory Care (Limited Access Program) – 2217 Assessment Results 2019-2020

Apply professional behaviors within a healthcare setting. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Execute safe clinical decision making in respiratory care. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Surgical Technology (Limited Access Program) – 2235 Program Learning Outcomes

Graduates of the program will be able to:

1. Apply principles of aseptic technique in the perioperative setting.
2. Demonstrate skills and behaviors necessary to function as a member of a surgical team.
3. Organize routine instrumentation and supplies within the perioperative environment.
4. Demonstrate the ability to collaborate with members of the surgical team to deliver quality patient care with consideration to the unique psychological and social needs of each surgical patient.

Surgical Technology (Limited Access Program) – 2235

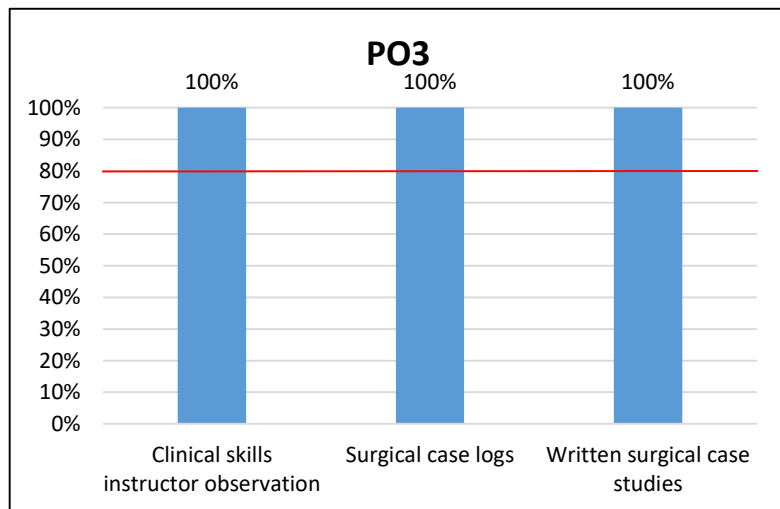

Assessment Results 2019-2020

Apply principles of aseptic technique in the perioperative setting. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Demonstrate skills and behaviors necessary to function as a member of a surgical team. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Organize routine instrumentation and supplies within the perioperative environment. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Demonstrate the ability to collaborate with members of the surgical team to deliver quality patient care with consideration to the unique psychological and social needs of each surgical patient. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Opticianry Technology (Limited Access Program) – 2236 Program Learning Outcomes

Graduates of the program will be able to:

1. Perform entry-level skills competently with regards to surfacing, edging, finishing and mounting lenses.
2. Fit and dispense lenses, frames and contact lenses as well as perform repairs on frames.
3. Demonstrate effective knowledge of the effects that ophthalmic devices have on vision correction.
4. Apply professional behaviors within the ophthalmic healthcare setting

Opticianry Technology (Limited Access Program) – 2236 Assessment Results 2019-2020

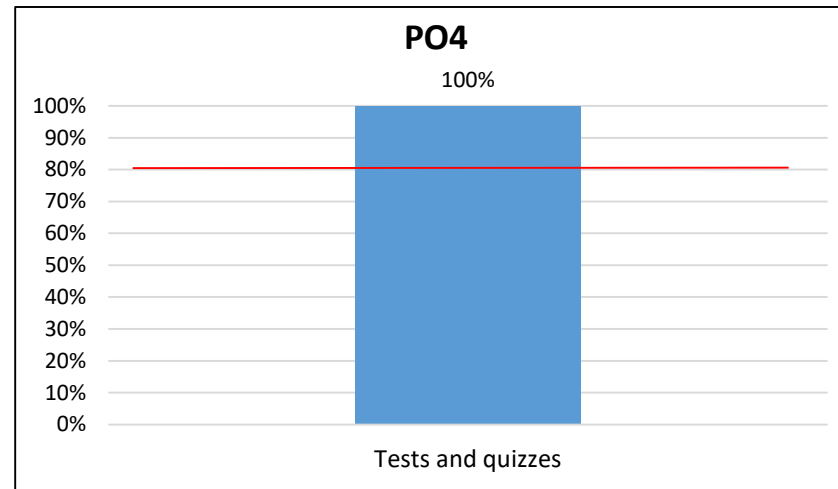

Perform entry-level skills competently with regards to surfacing, edging, finishing and mounting lenses. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Fit and dispense lenses, frames and contact lenses as well as perform repairs on frames. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Demonstrate effective knowledge of the effects that ophthalmic devices have on vision correction. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Opticianry Technology (Limited Access Program) – 2236 Assessment Results 2019-2020

Apply professional behaviors within the ophthalmic healthcare setting. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Pages 9 and 25 are missing key information.

CIVITAS - illume

CIVITAS - Courses

A student's course grade strongly signals graduation likelihood ▼

Creates the biggest boost in graduation likelihood for an individual student. Advising students to prioritize these courses could increase their graduation likelihood.

Academic Affairs
Assessment Day – Program Guides

*A Review of Program Guide and Course Catalog
Information*

Program Guides - Overview

- Given Assessment Day results, are there any changes needed to or desired for the Program Guide?
- Please Review:
 - Program Information
 - General Education Course Selections (if applicable)
 - Program Course Catalog Information
 - Program of Study

Program Guides – Information Review

- Mission statement
 - Does it accurately state the purpose and goals of the program?
- Description
 - Does it clearly portray the nature of the program and any unique characteristics (i.e. embedded certificates, industry certifications, program accreditations, etc.)?

Program Guides – General Ed. Review

- General Education Courses *(if applicable)*
 - Are the selection of courses aligned with the academic knowledge students need to be successful in the related field(s)/occupations?
 - Must be a minimum of 15 credit hours for A.S. programs
(F.A.C. [6A-10.024](#))
 - Must include ENC1101 and a Math Core course
 - Do the selection of courses allow for seamless transition to the Baccalaureate level (if applicable)?

Program Guides – Course Reqs. Review

- Program Specific Course Requirements
 - Are the courses relevant to the academic and technical skills required in the related field(s)/occupation(s)?
 - Are there any required courses offered by another department? If so, consult with that department on upcoming changes (if any).
 - Are there any courses that have not been offered in over 5 years?

Program Guides – Course Info. Review

- Program Specific Course Catalog Information
 - Is the course description accurate?
 - Are the course prefix, number and/or title relevant?
 - Are the term offerings up-to-date?
 - Are the prerequisite and corequisite course assignments appropriate to what students need to know to be successful in the requisite (*required*) course?

Program Guide – Program of Study Review

- Program of Study
 - Is the sequence of courses structured from foundational to advanced content, as appropriate?
 - Does the sequence align with course, term offerings?
 - Does the sequence align with course, prerequisite/co-requisite assignments?
 - Are there any special notes/information missing, incorrect or desired?
