

Acceptable Forms of Identification (ID)

ALL student and non-student examinees (regardless of age, testing for dual enrollment, or other purposes) must have a current/valid photo identification (ID) in order to take any examination. No exceptions.

All forms of identification must be original, **no photocopies or digital copies.** The ID's information must match the information on the exam record (DSC record system, test/ exam ticket, vendor registration, etc.).

Examinees must present at least one form of identification which must be a current/valid official photo ID from the list below:

- Driver's License issued by the United States
- Official State issued ID card
- U.S. Passport, U.S. Passport Card or Permanent Resident Card
- Foreign passport with U.S. visa
- Military ID
- Tribal ID
- DSC ID Card (limited to: PERT, ACCUPLACER, CASAS, TABE, and instructor test)
- High School ID Card w/photo (limited to: PERT, ACCUPLACER, CASAS and TABE)
- **CASAS ONLY** – Agricultural/Farm Worker ID Card, Consular ID Card (Matrícula Consular) or any current/valid photo ID

Some exam administrators/vendors require testers to provide a second, and in some cases a third, form of ID with the testers name, signature and/or photo (e.g. school ID, library card, social security card, voter registration card, credit/debit card, etc.). Please check with your exam administrator/vendor on valid forms of ID for each exam.

- **All exam sessions are monitored and recorded.**
- Assessment Services can deny entrance to an exam for individuals who do not have valid identification that is required for that exam.
- Check ID Requirements Every Time – Exam administrators/vendors can change the requirements for identification at any time, so please check each time before you come to Assessment Services to take an exam.
